

At the Sea Education Association (SEA), founded in 1971 at the Woods Hole Oceanographic Institute and affiliated with Boston University, undergraduates may study the ocean from a multitude of academic perspectives. Coursework focuses on maritime studies, nautical science, and oceanography and includes six weeks of applied studies aboard a sailing vessel.

Semester

Fixed schedule of 17 credits
credits will be applied to Reed record

Semester Credits

4 Credits = 1 Reed Unit

*Grades from study abroad programs are displayed on the transcript, but are not calculated in the Reed GPA

Fixed schedule:

- Oceanography (3 credits) (*See Biology Dept. chair for approval signature*)
- Practical Oceanography I (4 credits) (*See Biology Dept. chair for approval signature*)
- Practical Oceanography II (4 credits) (*See Biology Dept. chair for approval signature*)
- Maritime Studies (3 credits) (*See overall Humanities chair for approval signature*)
- Nautical Science (3 credits) –
